JOHNSTOWN NORTH METROPOLITAN DISTRICT NO. 1 2023 BUDGET MESSAGE

Johnstown North Metropolitan District No. 1 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act and was formed in November 2006. The District was established as part of a "Multiple District Structure" for the "Iron Horse" commercial community located in the Town of Johnstown, Colorado. Along with its companion Districts No. 2 and No. 3, ("Finance District"), this "Service District" was organized to provide financing for the acquisition, construction and installation of public improvements including but not limited to wastewater systems, storm drainage, streets and roadway landscaping, signage and signals; park and recreation improvements and public transit and to provide the operation and maintenance of these improvements.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2023 budget, the following goals are foremost for the District:

- Provide the level of street, safety, drainage, and park and recreational services as desired by the property owners and constituents of the Multiple Districts in the most economic manner possible.
- Provide an unwavering commitment to honoring the District's debt obligations and contractual agreements.

General Fund

Revenues

Anticipated 2023 service fee revenues from District Nos. 2 and 3 for general operations total \$149,321. With interest and other income and utility income, revenues total \$161,401.

Expenses

General operations expenses are estimated to be \$178,049 for 2023. Costs include routine services associated with landscaping, undeveloped public land, and storm water facilities. They also provide allowances for anticipated needs such as winter watering, pest control, general site cleanup, snow removal, and irrigation repair, and GIS implementation

Fund Balance/Reserves

The District has provided for an emergency reserve fund equal to at least 3% of the fiscal year spending for 2023, as defined under TABOR and holds the TABOR reserve for District Nos. 1-3.

Capital Projects Fund

Capital Project expenses in the amount of \$1,319,336 are budgeted for 2023. Expenses will be funded through reserve balances and capital advances.

Debt Service Fund

On May 1, 2019 the District entered into a Loan Agreement which authorized a principal loan amount of \$3,000,000. The note carries an interest rate of 3.56%. Proceeds were used to refund prior Loan agreements and capital project construction. In 2022, the principal balance of \$3,000,000 on the note was refunded by the Series 2022A and Series 2022B bonds.

On November 1, 2022 Johnstown North Metropolitan District No. 2 issued the Series 2022A and 2022B bonds in an amount totaling \$8,025,000. Bond proceeds were used to refund \$3,000,000 of Developer notes. The remaining funds are available for capital project construction.
